

Day Four

The Snowy Region Visitor Centre is the impressive dry stone rock building across the road. It houses a comprehensive history display of mountain life & skiing history of the region. It also has a great gift shop, gallery & cafe. From here we will visit the Gaden Trout Hatchery for a guided tour, just a few kilometres out of town, and then on to the Wildbrumby Distillery for a Schnapps tasting. We then head back to the Lake Jindabyne Hotel for a BBQ lunch on the deck.

The afternoon is your time to take a closer look at Jindabyne. Your hotel is centrally located and only a short stroll to all points of interest. Take a leisurely walk along the pathway that winds around the lake foreshore, or catch a flick at the cinema.

The Big Trout, Adaminaby

Day Five

The local township of Dalgety is this morning's destination. Situated on the banks of the Snowy River, you will be able to sit and enjoy the gentle flow of the river, feed the ducks and have morning tea.

We will then do a loop from Dalgety, through to Berridale and out to the Eucumbene Dam wall to witness another of the grand engineering feats of the Snowy Mountains Scheme.

We then head for Cooma to explore the sights. One of the highlights is a visit to the Snowy Hydro Discovery Centre where we watch a short film showing the amazing story of the Snowy Mountains Scheme.
